For Immediate Release:

INBODEN HONORED BY EIU CHEMISTRY DEPARTMENT

CHARLESTON – Shannon D. Inboden, daughter of Dennis and Susan Inboden of Robinson, recently received both the G. B. Dudley Memorial Award and the Harris E. Phipps Chemistry Scholarship at Eastern Illinois University.

The Dudley award is a scholarship open to students in botany, chemistry, physics and zoology. It was established by Tilford E. Dudley in honor of his father, G.B. Dudley, a faculty member at EIU from its founding as a normal school until his retirement. This award is made to an outstanding junior or senior.

The Phipps scholarship was established by Dr. and Mrs. Phipps to honor an outstanding junior in chemistry who displays exceptional qualities of scholarship and leadership, and who shows great promise of a distinguished career in the field of chemistry.

Inboden, a 2004 graduate of Robinson High School, is majoring in science with teacher certification and a chemistry specialization.
